Summer Programs

The Ocean Ice Palace is proud to announce its partnership with **American Hockey Schools** for this year's Ocean Hockey Academy summer camps. For our 49th season of hockey we have a new and experienced coaching staff. Ocean Hockey Academy is all about developing your skills.

Ocean Hockey Academy focuses on building and fine tuning the all around hockey player. This years camp will work on every aspect of hockey; **power skating, puck skills, game situations, stick handling, positional play & conditioning.**

Ocean Hockey Academy & American Hockey Schools are proud to bring new & exciting training to our 2011's summer program as well as over 25 years of superior coaching expertise. Head Coach Charlie Pens a former NCAA coach, NHL guest speaker, USA Hockey Level 4 Coach and former player. Coach Pens is considered an expert in Power Skating concepts & training techniques. American Hockey Schools is sure to bring out all the greatest qualities of hockey students.
